Product highlights

Optimized for HDTV

High speed data transfer with minimal signal loss ensure you'll get the most out of HDTV.

Color-coded inputs

Inputs are color coded to ensure correct connections.

Quality construction

Quality construction uses only top grade materials to create products of extended durability.

S-Video compatible

Allows the use of S-Video connections for improved picture performance.

Component cable compatible

Allows the use of component cable connections for high definition picture performance.

True stereo sound

A solitary connection of audio out (left and right) which goes directly to a stereo receiver for improved sound.
